## The Quest for the Arrow of Light. The Journey needs YOU!

### About Webelos Resident Camp at Camp Mack Morris

Camp Mack Morris is located in Camden, Tennessee, on the Beautiful Tennessee River. By attending camp, you will join in a long-standing tradition in Scouting History. As you enter camp, you will see the 12 Points of the Scout Law. As a Scout, It is the Law that you Pledge to live by in your daily life.

You are a Webelos Scout and it is part of your Journey in becoming a Boy Scout and possibly an Eagle Scout. You will be challenged as you take on each new Adventure in your Webelos Journey. It is up to you to choose... You will be given the opportunity, whether you are a first year Webelos or a second year Arrow of Light Scout, to learn and grow into the leader you want to be in life! You Choose the Scout Experience that will become a lifelong memory.

Throughout the week at camp, you will be able to earn rank and adventure pins. One elective adventure is Looking Back, Looking Forward. We ask each Scout to bring an item related to the Scouts and Pack to put in a Time Capsule. This Adventure will be like no other. Join us for the Adventure of a Life Time!

Your Pack will be assigned 1 of 12 campsites. All sites are provided with latrines and running water. There are shower houses and a Trading Post. The Camp provides a Health Lodge with a trained Medical Officer on duty during your entire stay. Meals are provided by a professional food service in the Dining Hall. CMM has developed and expanded its Webelos Scout Program over the past years, and we continue to provide the best possible staff that we can obtain and are committed to offering one of the best "theme" related programs for Webelos Scouts alike.

## **The Story Line**

Deep in the wilds of Benton County on the Tennessee River is the training camp for **ALL** Cub Scouts. Camp Mack Morris is the home of the Scout Camp gods, the trainers of Cub and Boy Scouts from Tigers to Eagles. The Camp gods are mad. Zeus (Camp Director) has guarded the Arrow of Light for generations. As a protector of the highest level of Cub Scouting, he is extremely upset because the Arrow of Light has been stolen. One of the Camp gods wants the power all to themselves. All Cub Scouts must unite and help find it. The QUEST is yours to accept and conquer. Join us the Summer of 2018 to return the power to the rightful protector. Are you ready to accept your training? Come find the clues, meet the Camp gods, and let YOUR journey begin.
