**Friends and Allies**

During medieval times it was common for kingdoms to foster friendships for mutual benefit. Support during war and the trading of resources benefited kingdoms. At this Cub-O-Ree, Packs are encouraged to form an Alliance or Friendship with another Pack.

After completion of any of the following suggested activities Packs can earn an Alliance Ribbon for their Pack Flag.

#### Activities:

- Play a game together
- Have a snack/meal together
- Go on a hike together
- Learn something together
- Perform a skit together at the campfire
- Any activity agreed upon by Pack Leadership

Please turn the form (found at the end of the packet) into Cub-O-Ree staff at Cracker Barrel.

## **Baloo Training**

Any adults are invited to complete **Basic Adult Leader Outdoor Orientation**.

10 am to 5 pm  
(Lunch and Dinner with your Pack)

- This training is required by at least 1 adult in each Pack before that Pack can go on an overnigher.
- There is **NO COST** for this training.
- You do NOT have to be a Registered Leader to complete this training.
- BSA's Cub Scout level camping policies will be taught along with the discovery of the necessary tools to help units carry out a successful camping experience.
- In addition to the instructor led training, an overnight camping experience is required to complete training.
- Training will start promptly at 10 am. If you are not signed in by 10, you cannot take the training.
- You must attend the entire training session to get credit.
- Please register with Mike Tarpley prior to the Cub-O-Ree: [tarmike14@gmail.com](mailto:tarmike14@gmail.com)

Cost for a unit port-a-john is \$90.00. Please complete the appropriate section on the Cub-O-Ree reservation form if your pack chooses to have its own port-a-john.

Roster and fees will be turned in at Cracker Barrel Saturday night. The check-in on Saturday morning will be only to receive directions to the Pack's camp site.

**Health Forms:** All packs must have completed health forms for every scout and adult leader participating in the Spring Cub-O-Ree. These forms must be in the packs possession secure and accessible by a BALOO trained leader at all times. Please follow National Guidelines. Use the new BSA Health Form #680-001 available from <http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx>.

**Guide to Safe Scouting:** All packs should review the Guide to Safe Scouting for all BSA policies and safe instructions. All camp rules, state laws and BSA policies must be strictly adhered to. The current issue can be found at <http://www.scouting.org/scoutsource/HealthandSafety/GSS.aspx>

Each pack will have a designated registered BALOO leader responsible for their camp area and is responsible for all scouts in their pack. Families that have other children attending the Cub-O-Ree (older and younger) are required to follow the same rules set for the Cub Scouts.

Registered staff members and volunteer Boy Scouts are in charge of operating and directing all events. Non-registered adults may only assist their own child or a child they are specifically responsible for during each activity.

All Scouts will use the **Buddy System** at all times when walking around between campsites or events.

**Uniforms:** All scouts and adult leaders are encouraged to wear Scout Field Uniforms (Class A) for Opening Ceremony, Campfire, and Scouts Own Service. Pack t-shirts (Class B) are encouraged for Saturday activities, and general campsite usage.

**Public Port-a-John:** There will be 2 public portable toilets. There is no guarantee as to how long the toilet paper will last. If you rely on these, bring toilet paper with you.

**Water:** A "water buffalo" may not be available. Cub Masters should bring a sufficient amount of water for your pack. This includes water for extinguishing campfires. Drinking water will be provided by each pack in a central location in each camp area.

**Campfires:** All Campfires must be off the ground. Each unit is required to bring their own firewood. The cutting of live trees is prohibited.

All flammable liquids must be stored in accordance with BSA policy stated in the Guide to Safe Scouting Section 7.

Each pack will have a fire plan ready to use in the event of a fire emergency. Fire buckets are no longer needed. Follow the fire safety in the Guide to Safe Scouting.

**Campsites:** The ropes dividing each camp site are to be considered a wall/door. You may not

enter another camp site without permission. Scouts are encouraged to NOT jump the ropes to enter another camp site. Also, if another campsite has a port-a-potty at their site, they have paid to have it and it is not for public use. Respect each camp site as if you are visiting a friend's house.

**Trash and Litter:** Each pack will need to have a trash can with a secure lid to keep animals out. Keep trash picked up and the campsite clean throughout the day. All trash must be carried out when you leave and disposed of in a proper garbage receptacle or landfill.

**Fishing:** "Catch and Release" Fishing is permitted at the ponds. Children must be supervised. NO CHILDREN ARE PERMITTED CLOSE TO THE PONDS WITHOUT AN ADULT.

***TOBACCO USE: SMOKING OR DIPPING WITHIN SIGHT OF ANY SCOUT IS PROHIBITED TOBACCO AND ELECTRONIC CIGARETTES ARE ONLY ALLOWED IN AN AREA OUT OF SIGHT AND AWAY FROM THE YOUTH IN ACCORDANCE WITH BSA POLICY IN THE GUIDE TO SAFE SCOUTING SECTION 4. THERE WILL BE A DESIGNATED AREA FOR THIS PURPOSE. AS SCOUTERS WE ARE TO FOLLOW THE PRINCIPLES OF LEAVE NO TRACE.***

**Vehicles:** Vehicle traffic will be held to a minimum. Traffic speed will be a maximum 5 1/2 mph in camp areas. Vehicles will enter camp areas to drop-off and pick-up camp gear only.

All motor vehicles must be parked in the designated parking area. No parking will be allowed in the camp area.

All vehicles must be operated in a safe and legal manner. Beds of trucks, trailers, and campers are not to be used to transport passengers at any time. A seat belt must be available for each person in a vehicle.

**No vehicle is allowed in camp between 10:30 am Saturday and 10:00 am Sunday**

**Accidents and Injuries:** Accidents and injuries must be reported in accordance with BSA policy found in the Guide to Safe Scouting. All Packs must keep a log of accidents and injuries for their own protection also. Each Pack must have a current health history for each participant attending Cub-O-Ree.

**Postponement:** The District Outdoor Committee will have final say for postponement of Cub-O-Ree due to inclement weather. If bad weather comes during the Cub-O-Ree and a pack decides to vacate the premises, then a leader from that Pack will need to check out with a member of the Cub-O-Ree committee. (You can find someone at headquarters tent). This is to be certain that all kids are accounted for.

**Emergencies:** In case of severe weather or an emergency, a car horn will sound three times, and at that time your Cub Master will need to report to the headquarters tent for further instructions. Any instances of missing children is considered an emergency and should be reported immediately to a member of the Cub-O-Ree staff.

**Scouts' Own Service:** The Sunday Service will be a non-denominational service. Please be respectful of all that attend this service. If you choose not to attend, we ask that you do not leave or pack up your camp area during the service. Remember, "A Scout is Reverent".

**Fellowship:** Packs are encouraged to do activities or play together during Free Time. It is up to the Leaders/Parents of each Pack to supervise the Scouts during this time.

**Quiet Time:** TAPS will be at 10:00 PM, No children are to be outside of their Packs campsite after this time, and all noise should be kept to a minimum.

**Skits:** Packs are encouraged to do a song or skit for the campfire ceremony. Skits and Songs must be approved by the Camping Committee prior to being performed to ensure they follow guidelines set forth in the Positive Values section of BSA publication #33122B "Group Meeting Sparklers". There is a limit of 2 Skits or Songs per Pack. Register your skit/song in advance so we do not have duplicates.

**Cracker Barrel:** Cracker Barrel is for leaders only. Please bring a snack to share. Be ready to discuss activities and to turn in evaluations. Inspection forms will be returned at this time.

**Checking Out:** After check-in, anyone leaving the Cub-O-Ree for any reason must sign out and sign back in with your BALOO trained leader. This includes kids and adults.

Prior to leaving, all camp areas must be clean and then inspected by a staff member before packs can be checked out with headquarters. Cub-O-Ree patches will be given out upon departure or the next scheduled round table.

Thank you and have a great time.
