Scouting's Journey to Excellence

2020 Pack Planning, Performance, and Recognition

Journey to Excellence uses a balanced approach to measure performance. It guides program planning before the year begins, monitors activities for continuous improvement during the year, and recognizes performance at the end of the year. In planning your strategy, use actual numbers from the previous year to guide your performance improvement goal planning. The period for measuring performance will be the calendar year.

Planning and Budget Measures	
1	The pack has a program plan and budget that is reviewed at all pack committee meetings, and the pack follows BSA policies relating to fundraising and fiscal management as found on the Unit Money-Earning Application form and any other publication that the council has developed for fundraising and fiscal management. Program plans and budget are reviewed with den leaders and parents at the start of the program year. The pack's program plan should be shared with the unit commissioner. Committee meetings may be held remotely.
Membership Measures	
2	A formal recruitment event is conducted to serve the diversity of the local community and new members are registered by October 31, 2020. On December 31, 2020, the pack has an increase in the number of youth members as compared to the number registered on December 31, 2019. A membership growth plan template can be found at www.scouting.org/membership . The pack has an up-to-date pin on the "Be a Scout" website. Given current challenges, holding large formal recruiting events may not be possible. Bronze may be achieved by developing and implementing a Cub Scout recruiting plan involving direct personal invitations for youth to join.
3	Number of youth members on the most recent charter renewal (A) divided by the number of youth registered at the end of the prior charter year (B) minus any age-outs (C). Total = (A) / (B-C). Age-outs are youth who are too old to reregister as Cub Scouts. If the pack has a December charter, use the one expiring on December 31, 2019; otherwise use the one expiring during 2020.
4	Hold at least two joint activities with a troop or troops, and have graduating boys or girls register with a troop. "The Scouting Adventure" for second-year Webelos is described in the <i>Webelos Scout Handbook</i> . If the pack has no second-year Webelos Scouts, this requirement is met at the Bronze level.
Program Measures	
5	Total number of Cub Scouts advancing at least one rank (Bobcat, Lion, Tiger, Wolf, Bear, Webelos, Arrow of Light) during the calendar year (A), divided by the number of youth registered at the end of the year (B). Advancement = (A) / (B). The pack is encouraged to use Scoutbook to track each individual's advancements.
6	The pack has activities and field trips in the outdoors, which could include outdoor pack meetings, hikes, family campouts, parades, outdoor service projects, etc. All dens have the opportunity to participate. Given constraints for large gatherings in some communities, coordinated activities involving families at home may be counted.
7	Cub Scouts attend an in-council or out-of-council Cub Scout day camp, family camp, and/or Cub Scout resident camp in 2020. STEM programs either as a day camp or resident camp are also included. All levels are total number of different Cub Scouts attending (A) divided by total number of Cub Scouts registered in the pack as of June 30, 2020 (B). Total = (A) / (B). Virtual alternatives are acceptable. These include virtual camping programs and other remote activities.
8	The pack participates in at least two service projects during the year and enters them on the Service Hours website or through Scoutbook. The projects may be completed as joint projects with other organizations. At least one project must benefit the chartered organization. Service projects may include home-centered efforts providing they serve others outside the home.
9	Have at least eight pack meetings or activities within the past 12 months, with one of those meetings being to review the pack's program plans and asking for parental involvement in the pack. Den meetings start by October 31, 2020 and all dens meet at least twice each month within the past year. Pack earns the Summertime Pack Award.
Volunteer Leadership Measures	
10	The pack has a Cubmaster, an assistant, and a committee of at least three members. Ideally, the chartered organization representative should not be dual registered as one of the committee members. The pack identifies persons for next year's leadership for existing dens, including Cubmaster, Den Leaders, and Webelos Den Leaders prior to the start of the program year. All dens have a registered leader by October 31, 2020. Program plans are shared with parents at pack meetings.
11	All leaders have completed youth protection training. Bronze: Cubmaster, an assistant, or pack trainer has completed position-specific training. Silver: Bronze, plus the Cubmaster and den leaders have completed position-specific training or, if new, will complete within three months of joining. Gold: Silver, plus 2/3 of committee members (including chartered organization representative) have completed training. Virtual training courses may be acceptable.

Scoring the pack's performance: To determine the pack's performance level, you will use the above information to determine the points earned for each of the 11 criteria and then add those individual point scores to determine a composite score. Count only the highest point total achieved in any one criterion. Bronze level requires earning at least 525 points in at least 7 criteria, Silver level requires earning points in at least 8 criteria and 800 points, and Gold level requires earning points in at least 8 criteria, meeting at least bronze standards in outdoor activities, and earning at least 1,050 total points.
