**Why use ScoutBook?** The web app's popularity isn't slowing down anytime soon and neither will its progress. Over 800,000 Scouters are using the ap in every council across America.

- Free to Parents of Scouts, enables youth and parents to fully track advancement, stay connected with leaders and the investment is only \$1 per Scout for a unit with for 40 or more Scouts
- Purchased by BSA in 2015, the ap offers automated sync between Scoutbook and ScoutNet/Akela (eliminating the need for internet advancement)....using another 3<sup>rd</sup> party software, you can upload those files, but you probably will prefer to switch
- Council features for messaging (texts and emails), calendar sharing, approved merit badge counselor lists
- Ability to verify unit information with BSA's unit database
- From Tiger to Eagle, Scoutbook tracks all the milestones and accomplishments throughout the Scouting experience. But this isn't just a virtual scrapbook or goal tracker—you can upload photos and videos, send messages to leaders, Scouts, and parents, track activities, and even plan events! **Go to [www.Scoutbook.com](http://www.Scoutbook.com) to start today!**
- West Tennessee Area Council encourages every unit to become connected and subscribed for improved communication with your Scout families, your district, and council.
