Knights of Birdsong Creek

Your adventure awaits

Sunday, June 30th – Wednesday, July 3rd 2019

Deep in the forest of Benton County on the Tennessee River is the training camp for **ALL** Cub Scouts. Camp Mack Morris is the home of the Scout Camp knights, the trainers of Cub and Scouts BSA from Tigers to Eagles. The “Knights of Birdsong Creek” is based on the tales of King Arthur and his Knights of the Round Table. The goal of the weekend is to have fun and learn how good knights lived by the same principles of the Scout Oath and Law. Join us this Summer to return the power to the rightful knight. Are you ready to accept your training? Come find the clues, meet the Camp knights, and let YOUR journey begin.

You are a Webelos Scout and it is part of your Journey in becoming a Scout in Scouts BSA and possibly an Eagle Scout. You will be challenged as you take on each new Adventure in your Webelos Journey. It is up to you to choose? You will be given the opportunity whether you are a Webelos or an Arrow of Light Scout to learn and grow into the leader you want to be in life. You Choose the Scout Experience that will become a lifelong memory.

Your Pack will be assigned 1 of 12 campsites. All sites have latrines and running water. There are shower houses and a Trading Post. The Camp provides a Health Lodge with a trained Medical Officer on duty during your entire stay. Meals are provided by a professional food service in the Dining Hall. CMM has developed and expanded its Webelos Scout Program over the past years, and we continue to provide the best possible staff that we can obtain and are committed to offering one of the best “theme” related programs for our Webelos Scouts.
