

West Tennessee Area Council, BSA Presents:

WEBELOS and The Spirit of Akela: Eagles in Training at Camp Mack Morris!

About Webelos Resident Camp at Camp Mack Morris

Camp Mack Morris is located in Camden, Tennessee, on the Beautiful Tennessee River. By attending camp, you will join in a long-standing tradition in Scouting History. As you enter camp, you will see the 12 Points of the Scout Law. As a Scout, it is the Law that you Pledge to live by in your daily life.

As a Webelos Scout, it is part of your Journey in becoming a Boy Scout and possibly an Eagle Scout. You will be challenged as you take on each new Adventure in your Webelos Journey. It is up to you to choose. You will be given the opportunity, whether you are a first year Webelos or a second-year Arrow of Light Scout, to learn and grow into the leader you want to be in life. You choose the Scout Experience that will become a lifelong memory.

Your Pack will be assigned 1 of 12 campsites. All sites are provided with latrines and running water. There are shower houses and a Trading Post. The Camp provides a Health Lodge with a trained Medical Officer on duty during your entire stay. Meals are provided by a professional food service in the Dining Hall. Camp Mack Morris has developed and expanded the Cub Scout/Webelos Scout Program over the past years; we continue to provide the best possible staff that we can obtain and are committed to offering one of the best "theme" related programs for Cub and Webelos alike.

MEDICATIONS:

Prescription medications and over the counter drugs for both Scouts and adults must be turned in to the Health Officer upon arrival at camp. Medications (except inhalers, Epi-Pens, and heart medications) shall not be permitted to be stored in any campsite. The Camp Health Officer dispenses all medications from the Camp Health Lodge. All medication must be in the original prescription container and only the appropriate amount of medication for the length of stay should be provided. Excess medication and Rx bottles are available for pick up on Sunday or Wednesday before departure. Any medications left at camp will be disposed of.
