Updated Internet Rechartering
Welcome and thank you for using Internet Rechartering from Boy Scouts of America. Internet Rechartering allows you to renew your unit's charter online and perform the following actions:

- Select members from your existing charter roster,
- Promote members from another unit,
- Add new members,
- Update member information, and
- Print a summary of costs associated with the new charter.

Before beginning Internet Rechartering, collect all member information, including new member forms with the appropriate signatures. To complete the process, you must be connected to a printer to print the final report for signature.

If you are a new user, you can consult the help and the tutorial for instructions on using Internet Rechartering.

In Step 3 you have the option to Promote Members from another unit. To begin Promotions, click the **Promote** button. If you do not want to Promote anyone at this time, click **Next Step** to continue or click **Previous** button to return to Select Members for Renewal. When you have completed the Promotions process, you will be returned to this page.

When you click **Promote** you will see a Unit Selection screen that will display any units that are chartered to the same organization as your unit. If you are in a unit eligible to convert youth members into adult leaders (troop, team, crew, and ship only) you will see your own unit listed also.

By selecting the radio button shown below the unit you wish to view and clicking **Continue**, you will obtain the records available for this unit, if any. If you do not complete all promotions at this time, you will be able to return to this unit later. This process is available until your charter renewal has been submitted. You may select only one unit at a time.

If the unit from which you want to promote is not shown, you may access the unit's records by entering the correct Access Code, the Unit Type, and four-digit Unit Number into the fields provided. To obtain the Access Code you should contact the unit from which you will Promote Members. You may also contact your local council about this process if necessary. The entered unit must have the same expiration date as your unit.
Follow the instructions for promoting members into your unit from another unit. Note you will need access codes for units in which you are not a member.
