- WHERE:** SCOUT SERVICE CENTER – JACKSON TN
- WHO:** ANY INTERESTED ADULTS AND DAY CAMP STAFF
- OTHER:** NO COST AND WEAR COMFORTABLE CLOTHES, OR UNIFORM

Many boys join scouting to shoot, build fires, and go camping! These activities are also fun for the adults. The West Tennessee Area Council wants to provide more opportunities to safely enjoy shooting sports and other adventurous activities. A strong council/district shooting sports program can aid with helping to recruit new Cub Scouts and retain those members until they transition into older-age Scouting.

The Cub Scout Shooting Sports Range Officer Training Course is required to safely operate a shooting sports program at district and council events such as Day Camps, Family Camping, Cub-O-Rees, and special district shooting sports membership drive events.

Please encourage anyone who may be interested to attend this opportunity. Registration should be returned to the WTAC by **Monday, May 13, 2018**. Online registration is also available [www.wtacbsa.org](http://www.wtacbsa.org) . For additional information, contact the volunteer course instructor Jim Ross at [r416bear@gmail.com](mailto:r416bear@gmail.com).

Shooting sports training provides fun and adventure for boys. Archery and BB gun shooting teaches skills, discipline, self-reliance, sportsmanship, and conservation, all of which are elements of good character valued by Scouters. Adventure beckons when Cub Scouts, Webelos, and even Boy Scouts have mastered the skills of shooting sports. Mastery of these skills will help a boy feel confident in his abilities.

Archery and BB gun shooting are restricted to day camps, Cub/Webelos Scout resident camps, council-managed family camping programs, or to council activities held on or off BSA property where there are currently trained BSA shooting sports range masters and all standards for BSA shooting sports are enforced. **Archery and BB shooting are not to be done at the pack level.**
