**What is Family Friends of Scouting?**

Unit Level Family FOS Presentations by Scouting Volunteers
- 10 minute presentations at well-attended Dec.- Feb. Pack meetings or Troop Courts of Honor provides active families the **opportunity** to support their local Scouting program at different giving levels, if they have the ability and desire.

**Who Administers Scouting in West Tennessee?**
The West Tennessee Area Council was organized in 1946 to oversee the Scouting program in the 20 counties known as West Tennessee Area Council. Dedicated staff and volunteers work together to extend Scouting to all youth and support the volunteer leaders who are conducting the program.

**Who pays for Scouting?**
The biggest investment a family or individual gives toward Scouting is their time. The time you spend in Scouting with your children or in preparing a great program is extremely valuable and worthwhile. Dollar-wise there are Unit dues, national registration fees, and outing expenses.

The West Tennessee Area Council is supported by Friends of Scouting, event activity fees, popcorn and camp card sales, and local United Ways. FOS provides more than 50% of the funds needed. Individuals, businesses, and Scouting families pledge their support to continue Council services and keep costs low through Friends of Scouting.

**Why support Family Friends of Scouting?**
Local Scouting is locally funded! In order to improve services and continue to provide camps, training, literature, a Scout Shop, professional and volunteer support, liability insurance for leaders, and many other services, the financial support provided through Friends of Scouting is critical to the development of our youth.

**Contact your District Family FOS chair or your District Executive to schedule your unit presentation for your December holiday party!**

**Turn in your Unit Charter Renewal at your December Roundtable.**

Saturday, February 1-Door Hanger Day
Saturday, February 8-Food Collection Day
Follow Up Report – Record Service Hours

Scouting For Food is conducted by Boy Scout Councils across our nation on an annual basis. Millions of pounds of food are collected every year! Scouting For Food is the West Tennessee Area Council’s official annual “Good Turn”. The purpose of our Council-wide project is to teach youth the value of “helping other people at all times”. The project also stimulates community goodwill and creates awareness for Scouting while helping local food banks during a time of need. SFF also promotes teamwork, healthy outdoor fitness, and family involvement.

WTAC will provide pre-printed door hangers for use on the designated days only. Units should choose the neighborhoods, store fronts, or churches where your Unit will be collecting food to avoid overlap. The collected food should be delivered to a designated pantry or food bank in your District. Complete information and door hangers will be provided at the Program Kick-off & December and January District Roundtables.

**Friendly Reminder Regarding Event Registration**

- In an effort to provide the best quality program for our families and properly plan for events, the West Tennessee has a policy of enforcing all event deadlines.
- Please understand that the posted deadlines are the absolute last dates we can accept registrations in order to be adequately prepared in regard to food, supplies, volunteer time and planning, etc.
- Activity fees are non-refundable, non-transferable.

Please be mindful of event deadlines, as we will be unable to accommodate any registrations that arrive late.

### How to Update Your BeAScout Pin

Access to update your pin is available to all unit leaders, including committee members in a unit.

To update your pin:

2. In the drop-down menu, go to Legacy Web Tools and select BeAScout.
3. Choose “unit” (rather than council) under “Unit Pin Mode” to update the pin with your contact info.
4. Be sure to set pin status to “active.” If they want the “Apply Now” button on the pin, set “Apply Status” to “active.”
5. Note that it may take a few hours, or up to overnight, for the updated information to show up.
6. **For Cub Scout packs:** You’ll also want to go to Organization Manager and identify your pack’s gender: all-boy, all-girl or a mix of all-boy dens and all-girl dens. Under Organization Manager, find the settings tab and scroll to the bottom of the page. The default is Boys Dens, but you can change that. Be sure to enter an effective date or it will not update the pin.

For more in-depth instructions, with screenshots every step of the way, check out the [BeAScout Unit Pin Management presentation](http://BeAScout Unit Pin Management) and don’t forget to share with your unit leaders. For assistance, please contact the BSA Member Care Contact Center at 972-580-2489 between 7 a.m. and 7 p.m. CST.

Independence Day
WITH SCOUTBOOK YOU CAN

1. Track all your Scouts Advancements from any device anytime.
2. Upload photos from your events for parents to see.
3. Send messages to Leaders, Scouts & Parents.
4. Plan events & Track activities.

You can do all of this for FREE

Getting Started Welcome to Scoutbook!

Tip you should never create separate login accounts for each unit. Scoutbook supports one login for all your roles and positions in Scouting. Each person should have their very own login to Scoutbook that should never be shared with others. Each person should have their own unique email address.

If your unit has never used Scoutbook before, one of your key 3 members, Key 3 Delegate, or Unit Advancement Chair (set in my.Scouting.org,) should log in and setup the permissions for the unit. The term Key 3 is a BSA term, not a Scoutbook term. It stands for the unit leader (Cub Master, Scoutmaster, Crew Advisor or Ship Skipper), the unit Committee Chairman and the Chartered Organization Representative.

How to log in for unit volunteers

If you have a my.Scouting account, you can go to scoutbook.com and login with your my.Scouting credentials. If the my.Scouting account is tied to a Member id, that will be matched with the appropriate Scoutbook unit and access is automatically provided to that unit upon login.

If you don’t have a my.Scouting account, you would need to create one that is tied to your BSA membership ID. Go to my.scouting.org to create an account. The my.Scouting account creation process discovers the BSA membership for you based on profile attribute matchup and allows you to create an account that links to your membership. Once the my.Scouting account is created, use this to login to http://scoutbook.com.

After you log in if you click on Administration and My Dashboard, you will see the units you are a member of based upon your BSA membership number as registered in my.Scouting.

If you click on the unit and then click on the unit Roster you will see all the adults and Scouts currently registered in your unit.
Training Opportunities for Parents & Volunteers (2019-2020)

Youth Protection Training is REQUIRED for all volunteers. The online course covers how to prevent, recognize, and report child abuse. Youth Protection Training is required for every adult to be REGISTERED in Scouting and must be renewed on an annual basis. This course can easily be completed on-line at: www.My.Scouting.org, or contact your District Executive for other training methods.

**All basic training for Cub Scout volunteers can also be completed online @ www.My.Scouting.org.**

**All basic den meeting plans, tools, and advancement requirements can be accessed at www.cubscouts.org.**

At the end of the training, your Youth Protection Training Certificate will be emailed to you. Print 3 copies and email one to WTAC Service Center (susan.gall@scouting.org), give one to your unit primary leader, and keep one copy for your records.

My.Scouting.org is a portal for registered BSA members providing access to their account data, online training, and more.

If you’re a registered adult member of Scouting, you ought to have a My.Scouting.org account. Why? Maybe the two biggest reasons are a) you can update your contact information directly in the BSA national database, and b) you can take online versions of almost all BSA training courses you need to be considered “trained” in your position.

If you have trouble logging in to My.Scouting.org, call BSA National Member Care at 972-580-2489 and ask for tech support for My.Scouting.org.
