It's an exciting time to Jump into Scouting! Scouting Jump Day Oct 13, 2019!

This year the West Tennessee Area Council is again partnering with The Sky Zone to offer new Scouts registering with the Scout program a 30-minute free jump.

On the October 13, 2019 date, new Scouts can redeem their free jump coupons and Scouting family members can jump for the discounted rate of \$5.00 dollars per person on this day only!

Scouts will be able to redeem their coupon at any time to receive their free jump if accompanied by an adult, but the family members will not receive the discount, other than October 13, 2019 on Scouting Jump Day. Jump socks are required, but not included!

Families will have to pre-register for a time slot to jump on the Oct. 13, 2019 date.
