University of Scouting is an interactive and informative day of courses offered to help you to become a better leader, and in turn, offer a better program to your Scouts. This course is not training in the traditional sense of the word it is first hand experience in "how to" on topics you are most curious about. If you want to learn how to Hammock Camp, Dutch Oven Cook or master Scoutbook this is the course for you!!!!

No matter what your position in Scouting: Leader, interested parent wanting to know more or a First Class or above Scout, University of Scouting is where you will want to be on April 4, 2020.

The University of Scouting courses are designed to help **YOU** improve your skills and increase your knowledge about Cub Scouting, Scouts BSA, Venturing, and related subjects. We encourage you to use your time between classes for Scouter networking – meet up with old friends, make new friends, and enjoy a great lunch. Don't forget to visit the University of Scouting Midway and Trading Post throughout the day.

Please take time today to look through this catalog, select six class hours and register on-line at WTACBSA.ORG. **Registering online will secure your class schedule on the spot.**

Of course, we could not do this without the exceptional dedication and support of many volunteers. From instructors to the administrative staff, I thank you for your efforts to make this a spectacular event. On behalf of the youth in the WTAC – **THANK YOU** for joining us! Your registration indicates your dedication to the principle that every Scout deserves a trained leader.
